### MARBH REMARKS

- Since there is discrepancy in the records of number of teachers, the genuine and clear number of eligible teachers could not be established. Moreover, the physical presence of only 18 teachers was verified out of minimum requirement 28 teachers as per MSR.

### Non-Teaching staff

- On physical verification on both days only 09 non-teaching staff was present out of 20

### Central library and Infrastructure of other Teaching departments

- i. There is no provision for photocopy and subscription. Insufficient space for sitting arrangement for students, Inspectors tried to verify the information uploaded in part -I but the librarian could not trace the details related to textbooks, reference books, CCH, CCRH and other publications.
- ii. All teaching departments has some common deficiencies like limited sitting arrangement for students, Improper infra structure and improper lights and fan and no separate museum and demonstration room.

### MARBH REMARKS

- Since the college is established in 2019 and the first batch is about to pass- out it is expected that college should have all the facilities available for a functioning Homeopathic Collegiate hospital.

### **B) Hospital Facilities:**

- a. There are only two wards as against of 06 required.
- b. On cross verification in the IPD case records it has been found that the indications / needs of admission for prolonged day is not justifiable. Hence, these records do not indicate the genuine admission.
- c. As per inspectors they could not establish the genuine functioning of the laboratory. Clinical Pathology Lab register does not has provision for lab number. There is incomplete and inappropriate labelling of the patient blood sample seen during inspection.
- d. On call X-ray technician didn't report till the end of inspection. Other staff in the X-ray unit was not aware about the functioning of the X-ray unit. On Cross verification of X-Ray register with IPD & OPD records, the need of X-Rays written in some Prescriptions could not be explained. Moreover, No X ray findings are found in IPD and OPD records examined. Hence, as per Inspectors observations the genuine functioning of the X-Ray unit could not be established.
- e. Cross verification of ECG register with IPD & OPD record were done. Few IPD cases were examined. There was no ECG finding documented in the IPD papers. Hence, as per Inspectors observations the genuine functioning of the IPD unit could not be established.
- f. There is no USG report duly signed by sonologist attached in the OPD paper. In fact, there is a note of USG report written by medical officer which is attached to the OPD case paper. OPD paper does not have a proper history and the advice order for USG investigation to be done. Preliminary details in all these OPD records are incomplete. Hence, as per Inspectors observations the genuine functioning of sonography unit could not be established.

### C) OPD/IPD Department-

- a. Documentation related to complete address, phone number, evaluating chief and associated complaints, on examination finding, investigations, proper analysis and evaluation of the symptoms, repertorisation, remedy differentiation, guidelines for prescription and proper follow up details and its interpretation are not addressed in OPD /IPD case records.
- b. There is no specific case format - history related information to different department-OBG / Surgery / Medicine / Ped noted in the OPD/IPD case records.
- c. In IPD paper, there is no documentation related to any procedure done in hospital and by whom.
- d. Doctors Duty Roaster could not be verified .There is no separate OPD Nursing staff duty roaster.
- e. Few cases were randomly examined by inspectors and as per their observation genuine functioning of IPD, OPD, Pathology Lab and Diet Record could not be established.

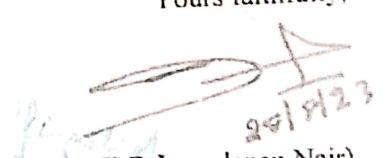

### D) Hospital Staff

- a) Anaesthetist, Obstetrician / Gynaecologist, Radiologist, Pathologist, One Nursing staff, Physiotherapist and Dietician has enrolled in attendance register and also in acquittance role but Inspector could not verify their physical presence during both days of visitation and no leave records submitted.It has been found that there is a difference in the signature of one medical officer [who came around 11.30 am on who was asked to do signature in the physical verification paper [in presence of inspector] with attendance register. Thus, it indicates that signature in the attendance register is dummy.
- b) Seventeen [17] non-medical and supportive staff reported the hospital for duty. For remaining eight [8] staff no leave record submitted and not shown to the inspector on both days of visitation

Considering the above shortfalls, Medical Assessment and Rating Board for Homoeopathy has denied permission to ASR Homoeopathic Medical College, Prathipadu -Y Junction, Tadepalligudem, West Godavari District, Andhra Pradesh-534146 to conduct BHMS Course with admission of 100 Students for the academic year 2023-24.
