**OFFICIAL ANNOUNCEMENT**

**A Proud Moment for ASRHMC & the Homoeopathic Fraternity!**

ASR Homoeopathic Medical College (ASRHMC), Tadepalligudem, has etched its name in national history with a landmark achievement at the World Homoeopathy Day 2026 celebrations held at the prestigious Vigyan Bhawan, New Delhi. In one of the most significant recognitions for the institution, three student researchers from ASRHMC were honoured with prestigious appreciation certificates under the Short-Term Studentship in Homoeopathy (STSH) programme, organised by the Central Council for Research in Homoeopathy (CCRH).

This year's World Homoeopathy Day was celebrated on the theme "Bharatiya Homoeopathy: Transforming Traditional Wisdom into Tangible Science" — a theme that perfectly mirrors ASRHMC's own institutional philosophy of bridging classical homoeopathic knowledge with modern evidence-based research methodologies.

**THE AWARD CEREMONY — VIGYAN BHAWAN, NEW DELHI**

*STSH Awards by CCRH, New Delhi — 11th April 2026 | ASRHMC Student Researchers Receiving Appreciation Certificates*

## **ABOUT THE STSH PROGRAMME**

The Short Term Studentship in Homoeopathy (STSH) is a prestigious programme by the Central Council for Research in Homoeopathy (CCRH), Ministry of AYUSH, Government of India. Its primary objective is to inculcate a research-oriented mindset among undergraduate students, encouraging evidence-based practice within the homoeopathic fraternity across India.

### **Key facts about the STSH 2026 selection:**

- ★ Only 53 students were selected from the entire nation under the STSH programme.
- ★ Three of the 53 selected researchers belong to ASRHMC, Tadepalligudem — a remarkable 5.6% representation.
- ★ Certificates were presented at the valedictory ceremony of the World Homoeopathy Day 2026, New Delhi.
- ★ The Chief Guest was Ms. Alarmelmangai D., Joint Secretary & Head of Department, Ministry of AYUSH.

## **PRINCIPAL'S MESSAGE**

*This recognition on a national platform like World Homoeopathy Day 2026 at Vigyan Bhawan underscores ASRHMC's dedication to producing not just practitioners, but young scientists. This achievement reflects our commitment to making homoeopathy a tangible and globally recognised science.*

**— Prof. Dr. Ananda Kumar Pingali, MD (Homoeo), Ph.D**

*Principal, ASR Homoeopathic Medical College & Hospital, Tadepalligudem*

## **SIGNIFICANCE OF THIS ACHIEVEMENT**

World Homoeopathy Day is observed every year on April 10th to mark the birth anniversary of Dr. Christian Friedrich Samuel Hahnemann — the father of Homoeopathy. The 2026 edition marked the 271st birth anniversary of this great physician, bringing together practitioners, academicians, researchers, and students from across the country.

### **Why this milestone matters for ASRHMC:**

- ◆ Validates ASRHMC's culture of research and scientific inquiry at the undergraduate level.
- ◆ Places ASRHMC among the top institutions nationally for student research output.
- ◆ Strengthens the college's standing with Dr. NTR University of Health Sciences and the Ministry of AYUSH.
- ◆ Inspires the next generation of students to pursue evidence-based clinical and laboratory research.
- ◆ Aligns perfectly with the national theme: transforming traditional wisdom into tangible science.

## **Congratulations to Our Student Researchers! 🎉**

The management, principal, faculty, and the entire ASRHMC family extend heartiest congratulations to our three distinguished student researchers on this national recognition. Your dedication and hard work have brought immense pride to our institution, our state, and to the entire homoeopathic fraternity.

*May this milestone mark the beginning of many more milestones to come!*

## ABOUT PROF. DR. ANANDA KUMAR PINGALI

Prof. Dr. Ananda Kumar Pingali is the Principal of ASR Homoeopathic Medical College & Hospital, Tadepalligudem, under the Akula Sree Ramulu Group of Educational Institutions. Holding postgraduate and doctoral qualifications in Homoeopathy — MD (Homoeo) and Ph.D — he has spent decades at the forefront of both clinical practice and academic leadership.

His research endeavours span the domains of classical Homoeopathy, clinical pharmacology, case-study documentation, and the integration of modern diagnostic tools within holistic therapeutic frameworks. Under his stewardship, ASR College has grown into a premier institution for Homoeopathic education in Andhra Pradesh.

The Best Researcher Award 2026 is the latest in a series of recognitions bestowed upon him by academic and professional bodies, affirming his stature as one of India's foremost practitioners and researchers in alternative medicine.

## Message from the Management

*On behalf of the entire Akula Sree Ramulu Group of Educational Institutions, we extend our heartiest congratulations to Prof. Dr. Ananda Kumar Pingali on this well-deserved honour. His relentless pursuit of research excellence continues to be a beacon for all of us. This award belongs as much to our institution as it does to him personally.*

## MESSAGE

I am happy to learn that the ASR Homoeopathic Medical College & Hospital, Tadepalligudem in collaboration with Umar Alisha Rural Development Trust, Pithapuram is jointly organizing the 'World Homoeopathy Week – 2026' from 1<sup>st</sup> April to 10<sup>th</sup> April, 2026 commemorating the 271<sup>st</sup> Birth Anniversary of the Father of Homeopathy Dr Samuel Hahnemann.

Health is not merely the absence of disease or illness, but the ability of a system to respond adaptively to a wide range of environmental challenges. Homeopathy looks beyond the disease to cure their causes rather than merely their symptoms and it stimulates the body's own natural healing powers to bring health, vitality, and well-being.

I wish the 'World Homoeopathy Week – 2026,' all success.

## Message

I extend my heartfelt congratulations to the Management, Principal, Faculty, Students, and Staff of **ASR Homoeopathic Medical College & Hospital, Tadepalligudem** on the successful completion of **World Homoeopathy Week 2026** celebrations, commemorating the **271st Birth Anniversary of Dr. Samuel Hahnemann**, the Father of Homoeopathy.

The observance of World Homoeopathy Week is a meaningful occasion to reflect upon the enduring contributions of Dr. Samuel Hahnemann to the field of Homoeopathy and to reaffirm our commitment to advancing this noble system of medicine. Such celebrations provide an excellent platform to promote awareness about the principles and practices of Homoeopathy, encourage academic excellence, and inspire young Homoeopathic professionals to uphold the highest standards of patient care and research.

I appreciate the dedicated efforts of the institution in organizing academic, clinical, and outreach activities during the week, which undoubtedly contributed to enhancing knowledge, fostering professional values, and strengthening community engagement. Initiatives like these play a vital role in preserving the rich heritage of Homoeopathy while embracing modern advancements for the benefit of society.

I convey my best wishes to the entire team of ASR Homoeopathic Medical College & Hospital for their continued success in academic pursuits, research endeavours, and service to humanity. May the institution continue to strive for excellence and contribute significantly to the growth and recognition of Homoeopathy in the years to come.

With best regards,

  
(Dr.P.Chandrasekhar)
